

DIGGING DEEP

1

PRAY

Ask for the Holy Spirit to give you understanding as you study the Word.

2

SCRIPTURE

Write out the verses you plan to study (or simply write the reference.)

3

OBSERVATION

Basics: Author? Audience? Occasion? What is happening?

4

INTERPRETATION

Think Context. What did this mean for the audience at the time?

5

APPLICATION

What does this teach me about God? How does this fit in the big story of Scripture?
What does this mean for us as Christians today?

6

TRANSFORMATION

Ask the Lord to use what He has shown you to change your heart.
